

IT'D BE
GREAT IF
YOU DIDN'T
EXIST! X

We don't know either. Have a look yourself.

AADAM

Now, tell me.

SEEMS INTERESTING,
SO JUST TELL ME

DOKI

DOKI

Why are you
so interested?

It's not like
that.

And your advice
usually doesn't
help much.

Whaaaaaa?

If all the people
I've helped solve their problems
showed up in a row, it would fit
3 and a half football
stadiums!

I'm going to look
around the department
store, then check out
from work there.

Really?

I was going to ask if
you want to get something
to eat together after
work.

We can do that
tomorrow
